STATEMENT

44

45 This bill would prohibit default approvals, as provided for in
46 several sections of the “Municipal Land Use Law,” from applying
47 to municipal agencies with respect to certain emergency
48 circumstances.

1 Under the bill, the default approvals would not apply to a
2 municipal agency that is unable to grant or deny approval within the
3 time period provided in the “Municipal Land Use Law” under the
4 following circumstances:

5 (1) whenever there exists a public health emergency or a state of
6 emergency, or both, declared by the Governor; and

7 (2) for the 60 days immediately following the end of a public
8 health emergency or a state of emergency, or, if both are declared,
9 whichever emergency ends later.

10 The bill would also permit a municipal agency to not hold any
11 required regular meetings or hearings during the period of time that
12 the public health emergency and state of emergency, as declared by
13 the Governor in response to the COVID-19 pandemic, are in effect.
